SANGIOVESE	9	26	44
Sangiovese is an Italian grape variety with a history dating back to Roman times. Believed to have originated from Tuscany, its name is derived from Latin, Sanguis Jovis, or blood of Jovis. Veneto ITA			
PINOT GRIGIO	9	26	44
The best Pinot Grigio's are made in the north-east region of Italy Veneto and are harvested early in order to retain delicate flavours and produce uncomplicated drinking wines. Veneto ITA			
ROSATO (BLEND)	9	26	44
Rosé is traditionally made from red grapes. The juice of the grape is kept in contact with the skins for a short period to allow the red colour to stain the wine and create the beautiful colour of Rosé. Veneto ITA			
MONTEVECCHIO MOSCATO	9	26	44
In a style reminiscent of the great Italian wines of Moscato d'Asti, this drop balances alcohol, acidity and sweetness perfectly. Refreshing, light and fruity with just a hint of spritz, allowing the bright sherbert, elderflower and honeysuckle flavours of the Moscato Giallo grape to take centre stage. Heathcote VIC
